# Help us give you the best possible print!

• Provide files as .PDFs at the correct size where possible. Keep text 5mm from outside edge. Use 3mm bleed.

• Allow 24 hours for bulk flyer or postcard orders (over 1000 units)

• Please don't set up more than a single flyer, review or design on a single sheet. We have software to do this quickly and efficiently for you!

• We're currently limited to one customer in the shop at a time, so you may need to queue outside at busier times.

• If you have not had a reply to an email enquiry within 4 business hours call 0131 556 6100 during our opening times to find out about your order.

• Give as full a description of your order as possible. Print size, quantity finishing, paper weight, colour or black and white etc...

• Leave a phone number so we can quickly contact you about any print issues or questions.
